

Make-up Policy

While Vantine Imaging makes every attempt to create a schedule that accommodates your organization, we're not always able to meet the needs of each of your members. Therefore, whenever possible, we will provide you with alternate (make-up) photography times, while we are still on your campus.

Alternate (make-up) times may be limited, or even unavailable, and are subject to change without notice. Vantine Imaging assumes no responsibility for members who are not photographed during your regular appointed time.
